

LIST OF COMPLETED PROJECTS		
S.No	Year	Title of the Projects
1	2019-2020	Risk Analysis of Biogas (CNG) Production & Bottling Plant, Ranipet.
2		Development of Leather Value Chain in Rwanda.
3		To undertake the activity of comprehensive study on supply chain of footwear industry including of shoe, leather items and shoe components sectors in Angola.
4		To conduct comprehensive environmental audit of the slaughterhouse of M/s. Al Dua Food Processing Private Limited.
5		A status report on water audit at M/s. KKSK Processors (P) Pvt Ltd., Erode
6		Preparation of Process Capacity Assessment Report for M/s. Calico Trends group of Tanneries.
7	2020-2021	Preparation of Business proposition for 6 Mini Leathers Parks in Telangana State
8		Optimization of use of SUR-VIRAL C19 in leather finishing
9		Assessment and Valuation of Inventory of Tannery and Shoe factory of M/s Saalim shoes
10		Inlet quality standards for tannery CEPTs in Tamilnadu
11		Conductance of Comprehensive environmental audit of the slaughterhouse for M/s. AL Nafees Frozen Food Exports Pvt Ltd.,
12		Technical Evaluation, Analysis and Consultation
13		Preparation of DPR for the up-gradation and bottling of existing Bio-gas Plant at Kanchipuram Municipality
14		Preparation of DPR for the up-gradation and bottling of existing Bio-gas Plant at Tiruchirapalli City Municipal Corporation
15		Preparation of prefeasibility report for the production of biogas, compressed biogas cylinder, agricultural Manure using vegetable and slaughter house solid waste at kumbakonam Municipality
16		Project Management Consultant for Creation of Additional Capacity of ZLD System in Ranitec CETP
17		Evaluation and Optimization of ATFD mixed salt for leather application
18		Developing a process for the manufacture of Basic Chromium Sulphate (BCS) from the spent acid waste.
19		Maximum Credible Accident and Consequence (MCAC) analysis study and on-site Emergency planning of Kothari Petrochemicals Ltd, Manali.
20		Preparation of Prefeasibility report relating to erecting Bio-gas plant with special focus on Biogas Bottling
21		Preparation of DPR for the up-gradation and bottling of existing Bio-gas Plant at Tiruppur City Municipal Corporation

22	Preparation of Detailed Project Report (DPR) for setup a Common Facility Centre (CFC) to M/s. Shree Charmaudyog Vividh Utpadak Sahakari Mandali Limited at Badarkha, Ahmedabad.	
23	Development of Nanocomposite bioactive interpenetrating polymeric network scaffolds for bone repair and regeneration.	
24	Preparation of DPR for 6 mini Leather Parks at Telangana State.	
25	To conduct comprehensive environmental audit of the slaughter house	
26	Safety Report, Risk Assessment and Onsite Emergency Plan for the Isolated Storage of Hazardous Chemicals in Selective Pallet Racking Warehouse of Rhenus Contract Logistics India (P) Limited Located at Pollivakkam, Thiruvallur.	
27	2022-2023	To provide technical opinion on adequacy of processes vessel for the stated processing capacity of M/s Sai Chamois, Dindigul.
28	Compliance Safety Audit Studies for the IOCL Indane Bottling Plant at Gangaikondan, Tirunelveli.	
29	To provide design for electro-chemical treatment plant for the client of M/s. Smaart Engineers.	
30	To conduct comprehensive environmental audit of the slaughterhouse of M/s. AL-DUA Food Processing Private Limited.	
31	Preparation of Environmental Adequacy Report for the Existing Effluent Treatment Plant (ETP)	
32	Preparation of Environmental Audit report.	
33	Quantitative Risk Assessment studies for Chloro-Alkali facility	
34	Preparation of Environmental Adequacy Report for the Existing Primary Effluent Treatment Plant (PETP).	
35	Valuation of leather stock	
36	Preparation of DPR for the up-gradation and bottling of existing Bio-gas plant at Pollachi Municipality	
37	Preparation of DPR for the up-gradation and bottling of existing Bio-gas Plant at Nagercoil Municipality	
38	To conduct comprehensive environmental audit of +B3:B13 the slaughterhouse: M/s. Al Ammar Frozen Foods Exports Private Limited.	
39	Risk Analysis and MCAC Study for the existing & proposed Metal Powders manufactured at the Metal Powder Company	
40	Detailed Project Report for manufacturing of value-added products from Process Solid Wastes.	
41	To conduct comprehensive environmental audit of AL-HAMD slaughter house unit.	
42	Technical Solution for converting the Carbon waste into valuable carbon-based material.	

43	Dissemination of Cleaner Technologies in Kanpur Cluster and Development of a Sustainability Evaluation System.
44	Preparation of Adequacy Report for the Existing Primary Effluent Treatment Plants (PETPs) at Kanpur.
45	Consultancy services towards setting up a plant producing organic supplement product from animal hair.
46	Technical consultancy and support connected to standardizing the process of pre-treatment of tannery wastewater using electro-coagulation unit and demonstration to tanneries at kanpur.
47	Evaluation of one of their product for use in Vegetable tanning/Retanning
48	Evaluation of Antifungal efficacy of five different formulations under in-vitro and in leather processing
49	Technical support for assessment of production facilities and preparation of assessment report for Kanpur Tanneries
2023-2024	Technical support services in marketing the enzyme products
	Identification of leather and Leather articles/products for the Officials from the Office of NSCBI Airport Customs, Kolkata
50	Evaluation and assessment of conformity of the PRODOTTO WFW, a retanning agent developed by M/s. PA Footwear Private Limited, Ranipet.
51	Evaluation of Sodium Sulphide for its efficacy as unhairing agent
52	Skill Development Program (SDP) for Personnel from K H Exports India Private Limited, Phase II
53	Conducting Pre & Post dispatch inspection for Rain Coat, Bag and Socks
54	Induction training program for environmental scientists and assistant engineers of TNPCB.
55	Assessment of training activities and trainees of Central Footwear Training Institute (163 candidates @ Rs.500/- per Candidates)
56	Assessment of training activities and trainees of Central Footwear Training Institute (360 candidates @ Rs.500/- per Candidates)
57	Short Term & Long Term Skill Development Program (SDP) and Workshops in Leather Processing.
58	Processing of 500 Square Feet Chicken Leather Panel from Chicken feet skins
59	Technical support for Kanpur-Unnao Leather Cluster under different schemes
60	Development of mango pulp based leather like material.
61	Development of Technology for Preparation of Regenerated Leather from Tannery Solid Wastes.
63	
64
